

# Food and Yard Waste Sorting Guide for Businesses

Many communities offer curbside collection for food scraps and yard waste. Not sure if service is available in your area? **Check out our [Business Organics Management Areas map](#) to see if you are in an impacted area.**

This guide is to help you understand what materials are accepted by haulers across the state. Keep in mind that acceptable materials vary by local hauler. When in doubt, contact your hauler or visit your local city or county's website.

## Always accepted\*

## Sometimes accepted

Check with your local hauler!

## Never accepted

\*Always accepted by haulers that collect food and yard waste and operate in the Business Organics Management Areas
