

Transfer of Permit to a New Owner/Operator for Individual National Pollutant Discharge Elimination System (NPDES) or State Waste Discharge Permits

This form, when completed and signed by both parties, and approved by the Department of Ecology, automatically transfers the permit as specified in the table below, in accordance with WAC 173-216-120 and WAC 173-220-200. By signing this form, the new owner/operator agrees to assume all responsibility, coverage, and liability of the permit, as of the effective date of the sale or lease. The permit transfer for any facility shall not be valid if there is or will be any significant change from the existing permit in facility operations, discharge volume, or discharge characteristics, as determined by the Department of Ecology. If such changes are or will be present, the new owner/operator shall immediately notify the Department of Ecology at an address listed below. If you have any questions, please contact your regional Permit Coordinator at the phone number listed at the bottom of this form.
