To request ADA accommodation including materials in a format for the visually impaired, call Ecology at 360-407-6900 or visit <https://ecology.wa.gov/accessibility>. People with impaired hearing may call Washington Relay Service at 711. People with speech disability may call TTY at 877-833-6341.

Recycling processes offered by your company

Briefly describe the services your company will use to process CEPs. What is the estimated capacity for processing CEPs at your facility? List materials to be processed by subcontractors.

Operating permits for your business

List all the necessary operating permits held by your company that have been issued by local, state, or national authorities.

Signature

The registration form must be signed by the individual responsible for implementing the direct processor requirements under the WA Electronic Product Recycling Program (see WAC 173-900-650).
