Mark all fields that apply				

Additional Questions	
Please describe any non-economic/community benefits the project has generated, as well as any other benefits not captured by the table above.	
Are there any downsides or negative impacts that you believe are a result of this redevelopment project? If so, please describe.	
Has the redevelopment spurred other investment in the area or additional surrounding development? If so, please describe.	
If the planned redevelopment is not yet complete, is it being hindered by obstacles (environmental, structural, zoning or political issues, financial constraints, etc.)? Please describe.	
If there are other people that may have additional information about this redevelopment project, please provide their name and contact information.	

Is there anything else you'd like to tell us? Feel free to use this space to elaborate on other answers, describe your experience working with our Brownfields Team, or however else you wish. THANK YOU!!!
