

Federal Funding Accountability and Transparency Act (FFATA) Data Collection Form

Complete, sign, and return this document, with the signed agreement, to the Department of Ecology Project Manager. Ecology will not pay any invoices against the agreement until it receives this completed and signed form.

Federal funds that support this agreement between your organization and the Department of Ecology (ECY) require compliance with the Federal Funding Accountability and Transparency Act (ACT), which makes information available online so the public can see how recipients spend federal funds.

Your organization must have a Unique Entity Identifier (UEI) to comply with the ACT and be eligible to enter into this agreement with ECY. Contact the System for Award Management (SAM) at www.SAM.gov if you don't know your organization's UEI, or need to get a free UEI.

ECY also encourages registration with the System for Award Maintenance (SAM) to reduce data entry by both ECY and your organization. Register with SAM free of charge at <https://uscontractorregistration.com>.

ECY will report information about your organization and this agreement to the federal government as required by Title 2 CFR, Part 25. The public can view this information on the federal government website www.USASpending.gov.
