

Notification Form: Outside Air Agency Portable Sources and Non-Road Engines

Instructions: You can use this form to notify Ecology when you are relocating your portable operations to Ecology's jurisdiction from another local air agency's jurisdiction. To use this form, your air quality permit for the local air agency must be issued after July 1, 2010. If you already have an air quality permit with Ecology, please use the Portable Source and Non-Road Engine Notification Form instead of this form.

Answer all the applicable questions on both pages, sign and date the form, and submit it to Ecology to the address below with a \$150 check and a copy of your air quality permit. Ecology must receive this notice at least 15 calendar days before you intend to start your portable operations.
