Application to Establish a Voluntary Emission Limit

INSTRUCTIONS

This form applies statewide for facilities under the Department of Ecology's jurisdiction. Use this form when you request a voluntary emissions limit for your facility. Use another form if the limit will be part of a new project, permit modification, or permit change. Before you submit this form, talk to Ecology to determine what information you need to include with your request.

Complete the front and back of this form. Attach a check for the $846 initial fee, and mail the form and supporting materials to:

Department of Ecology
Cashiering Unit
P.O. Box 47611
Olympia, WA 98504-7611

For Fiscal Office Use Only:

Read each statement, then check the box next to it to acknowledge what you have read.

☐ $846 Voluntary emissions limit initial fee covers 6 hours of review.

☐ The initial fee you submitted may not cover the cost of processing your application. Ecology will track the number of hours spent on your project. If the number of hours exceeds the 6 hours included in your initial fee, Ecology will send you a bill for that extra time.

☐ Ecology will bill you $141 per hour for each hour worked beyond the 6 initial hours. You must pay the bill before Ecology issues a decision on your request.

Check the box for the location of your proposal. For assistance, call the contact listed below.
