

# Biosolids General Permit Temporary Disposal Plan

Submittal Date:	Facility Name:	Permit No.:
-----------------	----------------	-------------

“**Disposal on a Temporary Basis**” means a period of more than one but less than five years. Generally, situations requiring the temporary use of disposal facilities will normally occur as a result of deficiencies in the wastewater or biosolids treatment process, or economic, administrative, or contractual constraints, which cannot be resolved in less than one year.

## 173-308-300(8) WAC – Disposal on a Temporary Basis

(a) Any person wishing to dispose of sewage in a municipal solid waste landfill on a temporary basis must submit a plan for approval to the department. The plan must include the following information:

- (i) The conditions that make disposal necessary,
- (ii) The steps that will be taken to correct the conditions that make disposal necessary so that disposal will not become a long-term management option.
- (iii) A time table for implementing the steps to be taken to correct the conditions that make disposal necessary.

(b) The person proposing to dispose must provide the department with written approval for disposal from the local health jurisdiction in the receiving jurisdiction.
