

Application for Senate Bill 5040 Funding Community Litter Cleanup Program

Funding period: July 1, 2021 through June 30, 2023

Name of local government

Name of authorized representative

Authorized representative email and phone number

Required Coordination:

- I am the county solid waste planning authority.
- I am not the county solid waste planning authority and must complete the proof of coordination form.

Amount of request (up to \$40,000)

Additional amount if funds are available

\$

\$

Ramp(s) you intend to clean and their location.	Frequency of cleaning for each ramp during the funding period.	Eligible costs you would like reimbursement for.
<i>Example: On/off ramps northbound and southbound I-5 from exit 114 through exit 88.</i>	<i>Example: Quarterly cleaning for on/off ramps on all 16 exits.</i>	<i>Example: Staff time, mileage, litter pickers, bags, safety gear, cones, disposal costs.</i>

Describe any other work you intend to perform with the requested funds and their associated costs.

Who is doing the work? (Staff from your jurisdiction, a contractor, corrections crew, etc.)

What are the estimated outcomes you expect to achieve with your requested funds? Outcomes must include hours worked, miles cleaned, pounds collected, and number of ramps cleaned.

(To estimate mileage for ramps, assume each ramp section is $\frac{1}{2}$ mile. In a standard diamond interchange, if you cleaned the on and off ramps in all directions, that is equivalent to 4 miles.)

Describe your readiness to proceed with this work. Would you be ready to start working on July 1, 2021? Or are there steps you need to take before you can begin the work (hiring staff, purchasing supplies, etc.)?
