## Binding Agreement

I certify that I am authorized to submit this oil transfer response plan as an owner, operator, or designee with the authority to bind the owners and operators of the facility to this plan. I certify that I have reviewed and am familiar with the information submitted in this plan and that the information in the oil transfer response plan is accurate. I commit to the implementation and use of this plan and commit to making necessary and appropriate expenditures to implement the requirements of this plan.
