

# Landowner Authorization Form

## Water Resources Program

Use this form to collect required landowner or authorized representative signature(s) and contact information within the proposed place of use, as described on the subject water right application. See our [signature guidance](#) for information on accepted eSignature methods.

By signing this form, you attest that:

- I am the legal owner or authorized representative of a property within the proposed place of use, as described on the subject water right application.
- I am aware that the proposed project, as described on the subject water right application, includes my property.
- I grant staff from the Department of Ecology access to my property for the purpose of inspection and monitoring.
- My signature does not represent water right application approval.

### 1. Provide water right application information

Applicant name:
Project name:
Application number (if known):
Source type (surface water or groundwater):
Ecology region where the project is located:

### 2. Landowner/authorized representative signature(s) and contact information

Landowner name:
Authorized representative name (as applicable):
Property address(es):
Parcel number(s):
Email:
Phone:
Mailing address:

Signature:

Date:

Landowner name:
