

RAMP Reporting Aid- Change of ownership notification form

Language assistance available

You can ask for this form in another language. Contact us at hfc@ecy.wa.gov to request translation or interpretation services.

Overview

Prior to any change of ownership, the owner or operator of a facility that has been registered in accordance with the Refrigerant Management Program (RMP) must:

- Confirm that the registered refrigeration or air conditioning system is free of refrigerant leaks
- Inform the prospective buyer of the registration requirements of WAC 173-443-115
- Submit a change of ownership notification to Ecology

For more information, see WAC [173-443-115](#).

Seller requirements

Prior to any change of ownership of a facility that has been registered in accordance with this section, the seller must ensure all of the following are completed.

Check the box to mark the requirement is complete.

☐ The seller has confirmed that the registered refrigeration or air conditioning system is free of refrigerant leaks through a leak inspection performed by a technician certified by EPA under 40 C.F.R. § 82.161

☐ The seller has entered these service events on the equipment in RAMP

☐ The seller has informed the prospective buyer of the registration requirements of [WAC 173-443-115](#)
