

Public meeting announced to present site cleanup plan

The Department of Ecology invites you to attend a meeting on March 26, 2015 about the proposed cleanup of a portion of the Harris Avenue Shipyard contaminated site. The cleanup plan and related documents are currently available for public review and comment from March 9 to April 7, 2015.

Ecology has received a number of comments requesting a public meeting, so we are scheduling this meeting to present the proposed cleanup and address any questions you might have. You will be able to submit written comments at the meeting, or at any time following the meeting until April 7.

You may have already received a fact sheet with information regarding the proposed cleanup. If you did not receive a fact sheet, or want more information, please visit Ecology's Harris Avenue Shipyard web page at: www.ecy.wa.gov/programs/tcp/sites and search site name "Harris Avenue."

Meeting information is listed in the box at the top right of this page. For questions or comments regarding the site, please contact John Guenther at 360-715-5213, or john.guenther@ecy.wa.gov
