This page is purposely left blank.

This appendix lists each commenter who submitted written comments concerning the revised Clean Air Rule proposal filed May 31, 2016. We have listed the commenter name with the number of comment pages. If applicable, we have also listed the number of attachments and pages included in separate files.

Due to the number of comments received and the large size of the corresponding data files, we are not including copies of all comment letters with the Concise Explanatory Statement. Copies of all written comment submissions (without additional attachments) are available on Ecology's web site at <a href="http://www.ecy.wa.gov/programs/air/rules/wac173442/1510inv.html">http://www.ecy.wa.gov/programs/air/rules/wac173442/1510inv.html</a>. Please note that not all of the comment submissions are searchable. If you would like a complete searchable set of the comments noted below, including attachments, Ecology can provide it to you on CD. Please contact the Air Quality Program to request a copy.
